

Alternate Shopper

← This is Mr. S

He wants to shop for Cookies..
and visits a Shopping mall for it

With so much Choice around him,he is **CONFUSED**...
there is no one to suggest him which is the best.

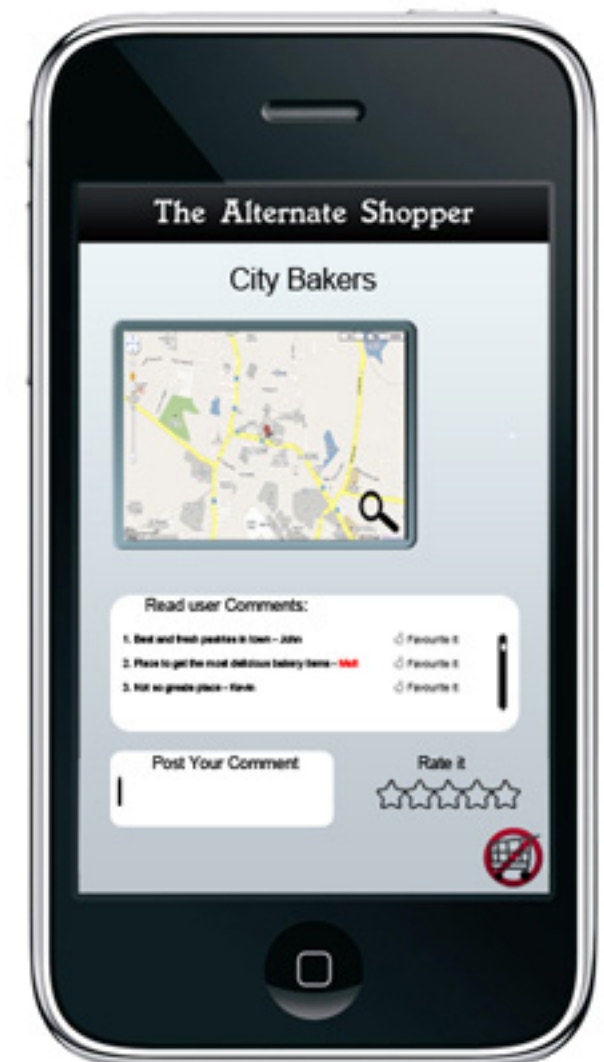

At last he buys something. (Still not sure how the cookies are?)

"the top guys of the company gain maximum profits" ensuring them a pocket load of money while the workers gain "no additional" advantage.

Now Mr. S tries his hands on “Alternate Shopper”

It is Simple to use and lists down the places where he will find best Cookies in town

He visits A “Local Shop” rated Best by different customers...

the shopkeeper greets him with zest and gives him the required products which are good as rated by the customers.

another bond between the customer - owner is created

such kind of profit is widely distributed among the people and hence money exchanges more hands and is distributed a lot more than in the usual way...

shopper gives you the power to bring the change! use alternate shopper and spread smiles as well as the money....
